This Conference takes place within the framework of the EU-funded project 'Accessing Development Education' This project engages educators and schools in Development Education activities and equips them with relevant training and materials, thus making them promoters and multipliers of national campaigns and initiatives that aim to create awareness about development issues and global inter-dependencies. The project is coordinated by Future Worlds Center (Cyprus) and implemented in partnership with Scotdec (Scotland), Youth Career and Advising Centre (Lithuania), KADE (Ireland) and C.E.G.A. (Bulgaria).
